Each presenter has been scheduled to present their poster on one day of the Annual Meeting during one of the above day/session time slots when they must be at their poster. Presenters must also be at their poster for the All Poster Session on their scheduled day.

Session Moderators and ARVO Staff will monitor poster displays and poster presentations during scheduled poster sessions each day and will take note of “No Shows.” First Authors and any pre-approved Substitute Presenters of “No Show” presentations will be disqualified from submitting an abstract for the 2020 Annual Meeting as First Author. See below for the Abstract Withdrawal and Substitute Presenter Policy.

All Presenters must mount their posters on their assigned poster board on their scheduled day of presentation prior to the first poster session that day and posters must remain on display all day until the end of the last poster session that day. Posters must be removed within 15 minutes of the end of the last poster session that day.

ARVO is not responsible for poster materials left after each day’s removal deadline. Posters are remaining on the poster boards after ARVO deadline will be removed and discarded.

**PRESENTATION**
It is expected that the First Author will present the same work described in the abstract, with the same title and content, and will reveal the essential structure (DNA sequence), elements of a novel compound, or sufficient identification of new gene compounds.

All presenters are expected to:
- Fully disclose all commercial relationships relevant to the subject matter for themselves, their spouse or partner and all co-authors of the abstract for the prior 12 months
- Design a presentation that is independent, objective, scientifically rigorous, balanced and free of bias
- Assure that scientific studies utilized or referenced in their presentation are from sources acceptable to the scientific and medical community
- The U.S. Food and Drug Administration (FDA) requires disclosures to be made to session participants of unlabeled or unapproved uses of drugs or devices contained in presentations. You must disclose any such uses when you are discussing unlabeled or unapproved uses of drugs or devices.

**DISCLOSURES**
Full disclosure must be listed on the poster. First/Presenting Authors must fully disclose the session participants all commercial relationships relevant to the subject matter for themselves, their spouse or partner, and all co-authors of the abstract for the prior 12 months. Full disclosure will include the name(s) of the commercial interest and the nature of the relationship(s). Indicate “None” if no relationships exist. View the ARVO Commercial Relationships Policy for complete reporting requirements.

**WITHDRAWAL POLICY**
As the First Author, you are obligated to present your abstract. Changes in the presentation type, session, day, time, and poster board location cannot be made. If you cannot present, you must follow the procedures outlined in the Abstract Withdrawal and Substitute Presenter Policy. A co-author who is not pre-approved by Meeting Management as a Substitute Presenter or a colleague will not be allowed to present the abstract on your behalf. Failure to comply with the policy will result in your ineligibility to submit an abstract as the First Author for the 2020 Annual Meeting. MODERATORS AND STAFF WILL BE ONSITE TO ENSURE COMPLIANCE WITH ALL REQUIREMENTS.
ARVO RECORDING/PHOTOGRAPHY POLICY
Recording by any means (photographing, audiotaping, videotaping) of any presentation/session is prohibited, except by an ARVO-authorized agent or by First Authors who wish to photograph their own poster presentation. Violators risk confiscation of their equipment and/or dismissal from the Annual Meeting as deemed appropriate by ARVO.

Those whom photograph/record ARVO presentations violate the decades-long ethical code and spirit of collegiality which is key to ARVO and the scientific community. Photographers also distract attendees from the presentation and in some cases block the view of other attendees.

POSTER BOARD DIMENSIONS
The image area of the poster board is a maximum of 1.1 meters (44”) high by 1.7 meters (66”) wide (landscape layout). Materials, including the title, may not extend beyond the image area.

- Use a layout for your poster that follows the main headings used in your abstract, i.e., Purpose, Methods, Results, and Conclusion.
- Use of the ARVO logo on your poster is prohibited.
- Do not use industry logos, registered trademarks, trade names, or product-group messages of any defined commercial interest(s). A commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.
