Re: ARVO Membership Benefits Explanation

The Association for Research in Vision and Ophthalmology (ARVO) is the largest and most respected eye and vision research organization in the world. ARVO members include nearly 10,000 researchers from over 75 countries. Its mission is to advance research worldwide into understanding the visual system and preventing, treating and curing its disorders.

(Your institution) benefits when its employees hold an ARVO membership. ARVO has served a global membership for more than nine decades building a forum for advancing science, networking, mentorship and professional development opportunities. By providing services in the areas of membership, Annual Meeting, three scientific peer-reviewed journals, online education, and awards and grants, we assist our members in making a positive impact on the lives of those with eye and vision disorders.

ARVO members earn many benefits through membership dues.
